The Boy with the Broken Hands – Part 13

Jamie lay in the sun relaxing and watching Scotty work. The slim pool boy's lean body sweating in the heat his muscles flexing as he manoeuvred the vacuum around the floor of the pristine pool. Maybe life wasn't so bad he reflected as he watched the boy and he had fucked another boy for the very first time today plus he had Al as his carer. Yep life was good in spite of being 'handless'.

Al was still away but Mrs Thompson arrived with some lunch for Jamie and she helped him to a shaded poolside table and laid it out for him. There were four plates and four sets of cutlery so Jamie asked the housekeeper who the other settings were for. She smiled and told Jamie that Jason and Seb were coming over they had telephoned earlier to ask if they could visit Jamie so she had invited them to lunch and she hoped that the boy didn't mind. He laughed and said he was happy they were coming over but that left a fourth place. Mrs Thompson nodded in Scotty's direction and smiled at Jamie saying that she thought it would be nice for Jamie to invite him for lunch. Jamie beamed and yelled over to Scotty who stopped what he was doing and came over, greeting Mrs Thompson warmly. She smiled and said she would be back with more food and drinks shortly when the other boys arrived. Jamie asked Scotty if he would join him and his friends for lunch and the boy was delighted and said he looked forward to meeting Jamie's friends. He asked Jamie if he should get dressed in a T-shirt and Jamie said no because he wanted to look at Scotty's naked chest over lunch. Scotty smiled and blushed and went back to his vacuum and started to pack the equipment away for the day.

Jamie watched Scotty working again, the splashes of pool water drenching the front of his shorts as he manhandled the snake-like hose. Jamie looked closely and he could see the definite outline of the boys cock through the wet material. He was instantly erect which in Speedos was very obvious and his cock head was actually showing out of the waistband of the skimpy swimwear so he was glad he was sitting at the table where his hard on was hidden, in case Mrs Thompson came back. Scotty looked fantastic, the water in droplets all over his chest and belly, his cock clearly visible and harder than before.

Jamie heard a shout behind him and saw Jason and Seb with Mrs Thompson all carrying trays of food and drink over to where Jamie was sitting. Scotty heard the shouts and he smiled at Jamie as he disappeared into the pool house to avoid his hard boy cock being seen by the housekeeper.

The boys arrived smiling, set their trays down and hugged Jamie asking him how he was feeling. Jamie stood up but his hard cock head was sticking out of his waistband so he had to turn away from Mrs Thompson and when he hugged Jason he whispered that he had a problem! Jason looked down Jamie's front and laughed, but deftly grabbed a towel and wrapped around his friend's waist before Seb hugged him. They all thanked Mrs Thompson who looked concerned and asked where Scotty was and Jamie explained that he was cleaning up in the pool house and would be out shortly. Nodding her head she smiled and left the boys to their lunch.

Jamie walked over to the changing room and spotted Scotty who was watching for the housekeeper to leave as he pointed at his wet shorts and his obvious solid cock showing through. He asked Jamie if he should go and change because he didn't want to upset his friends and Jamie laughed and said that it was fine they would be OK in fact they would like it.

Jamie and Scotty returned to the table and joined the other two boys who were laughing hysterically about Jamie's almost indecent exposure to Mrs Thompson. Jamie introduced Scotty and he could see the looks of admiration in his two friend's eyes, as they looked the boy up and down. Both boys' eyes stopped dead when they reached his crotch, as Scotty's boy cock was unmistakably evident through his wet pants the shape and length of his organ clearly defined. Scotty realised where they were looking and blushed as he apologised for being wet. All boys in unison said it was totally fine by them!

They all ate and ate and drank gallons of freshly squeezed fruit juices and mineral water, washing down their lunch in between talking, laughing and basically enjoying each other's company. All three boys kept looking at Scotty and admiring his naked torso. The sun had dried the water on his body but he looked hot. Jamie who was sitting opposite Scotty stretched his leg out during lunch and placed his bare foot squarely on the boy's crotch where he proceeded to gently massage it. Scotty was telling the boys a story and stuttered briefly when the foot landed on his boy cock but he managed to recover quickly and finished the story without either boy realising anything was going on. He leaned back in his chair and he felt his young cock harden under the attention of Jamie's foot. He slid his hand under the table and stroked the boy's ankle and shin feeling the tiny, soft, invisible hairs there. Scotty moved his hand across and under the foot to open his fly and release his hard cock. Jamie felt the hard penis under his foot and he spread his big toe and the first one slip Scotty's hard boy cock in between and started to slide his toes up and down the boy's slim cut cock masturbating him with his toes. Scotty was oozing precum, which slid down between the toes lubricating the process. Scotty again slipped his hand under the table and opened the top button of his shorts allowing his cock more freedom to move. Jamie was well into this now and he knew he was giving the boy some serious pleasure. Scotty was trying desperately not to moan or give any clue to Jason and Seb what was going on. Both boys competed with each other to tell stories from school and about other boys they all knew. Jamie felt Scotty's cock stiffen further and then the warm cum splashing on his shin and running down between his toes and on to his feet. Scotty had moved his hand over his cock head just as he came, which forced the spunk down over Jamie's foot. Jamie felt so horny as the spunk squished between his toes and he still held the softening cock head between them tickling the head and smearing the spunk with his big toe. Scotty's face was a picture and Jamie laughed as he blushed, their eyes meeting.

Jamie's hard cock was sticking out of his Speedos and oozing precum too so he spoke directly to Jason and Seb to distract them allowing Scotty to close up his shorts and clean his spunk covered hand. It worked and Scotty managed to bring his hand up, lick off the remaining cum and then go back under the

table, fasten the button and manoeuvre his chubby cock back inside his shorts before zipping up.

Jamie asked if the two guests had brought their swim wear and neither had but Scotty said that there were a number of spare and new Speedos in the pool house and he was sure he could fit them up. He warned that they would have to wait to swim however after eating so much. They all agreed and decided to sunbathe for an hour or so, and then have a swim. Jamie reckoned by that time Al would be back too with his secret device which would allow him to swim as well.

Scotty took Jason and Seb into the pool house and told them to go ahead and strip while he brought the Speedos to them. The two boys were nervous about stripping and being seen naked by Scotty as they both thought he was so hot, they knew they would bone up as soon as he appeared. They compromised and stripped to their tight briefs, carefully placing their clothes and shoes in a locker.

They stood there a minute or so both willing their cocks to stay down when Scotty reappeared with a handful of Speedos in different colours for the boys to try on.

He stepped in front of Jason first and knelt down bringing the boy's crotch in direct line with his eyes. Jason blushed as Scotty put his thumbs into the waistband of his underwear and slid them to his ankles before he could string a legible sentence together in his befuddled brain. He automatically stepped out of the briefs like a little boy being undressed by his mum and stood naked, his cock rising steadily pulsing in time with his heartbeat. Jason's thick uncut cock achieved its maximum 6.5" in a millisecond as he felt Scotty's warm breath on his naked cock head, the foreskin fully retracted, the glans glistening with a shiny coating of precum. Scotty could smell the boy's cock. It smelled delicious and he wanted to suck it in and pleasure the good-looking boy. The boy was like a rabbit caught in the headlights and Scotty had to tap his leg to get him to lift his feet so he could fit the Speedos. On auto-pilot Jason lifted his feet and he felt Scotty's smooth hands slide the thin pale blue material sensuously up his legs and thighs, pulling it out to try and accommodate the solid cock only millimetres away from his lips. He leaned behind the boy sliding the skimpy swimsuit up over his butt and finally the suit was on although the boy's hard cock was making a brave attempt to escape tenting the front out dramatically.

Jason looked down at his hard cock and then at Scotty's smiling face and they both laughed Scotty suggested that he fit Seb's costume and then if he wanted he would help Jason with his problem. Jason agreed and sat down on a bench to watch Seb being dressed.

Seb had watched Jason with his mouth open wide and he was willing Scotty to suck his friend and was amazed that he didn't but Scotty now suggested he would suck Jason and wondered if he would be allowed to watch.

Scotty repeated his actions with Seb, first kneeling in front of the boy then removing the briefs narrowly avoiding having his eye taken out by Seb's solid 5.5" cut boy cock. Scotty was impressed by the thickness of the boy's cock it was really chubby and would be a fine example when he was fully mature. Again he could smell the boy's cock, which was also slick with precum. The white Speedos were slipped up onto the boy's slim body, over his hard cock and up over his cute ass. Scotty was hard even though he had just cum a few minutes before but the sight of such beautiful virgin boy cock worked magic.

Scotty stood up and walked out of the changing room to the clear disappointment of the boys but he hesitated in the doorway, turned round and smiled saying he would be back in a second and to keep their cocks hard for him. They laughed nervously and sat on the bench to await his return.

Scotty went back to where Jamie was still sitting at the table and he thanked the boy for bringing him off under the table with no hands! Jamie laughed and said he had to be inventive. Scotty sat beside Jamie and told him what had happened in the changing room and how the two boys were desperately hard and needed to cum so if it was OK with 'the boss' if he helped them out and Jamie too as he had noticed Jamie's cock was still making a bid for freedom from his Speedos. Jamie stood up in a flash, smiled at Scotty and said, "Let's go!"

The two boys arrived back in the changing room and locked the door just in case they were interrupted. Jason and Seb were still sitting together on the low wide wooden bench that ran down the centre of the room. They looked nervous and they both stood up when Jamie and Scotty came in. Jason and Seb were still both hard and their cocks now caused large wet spots on the Speedos. Scotty laughed and told the boys that they had done what he asked which was excellent keeping their cocks hard. Jamie was wearing black Speedos but he asked Jason to take them off for him and also his shirt. Both boys then removed their Speedos and finally Scotty dropped his shorts and discarded them on a small pile of swimwear in the corner.

The boys stood for a moment nervously looking at each other their solid cocks all pulsing in time with their heartbeats. Scotty told all three to sit along the bench side by side so they did and he kneeled down and started sucking Jamie's hard cock and playing with his balls. Jamie moaned with pleasure and noticed that Jason was wanking Seb and Seb was returning the favour. Scotty then moved along to Jason's cock and moving Seb's hand away he sucked it into his wet mouth. The boy's cock tasted as good as it looked and slightly musky from the bike ride that brought him to Jamie's house that day. Scotty deep throated the cock and Jason almost fell off the bench with the sublime pleasure he was experiencing. Seb had taken Jamie's cock in hand as he waited his turn and Scotty was wanking Seb whilst sucking Jason. This was hot. Scotty moved along to Seb and swallowed the boy's shorter but chubbier cut boy cock. It looked good and the circumcision had been expertly done, definitely not a rough job it was smooth and like Jason's cock, musky.

Scotty moved and organised Jamie to lie along the bench his legs over the end and his feet still on the floor, his hard cock lying up off his flat belly. He then got Jason to carefully move over Jamie in a 69 position avoiding all contact with the boy's bandaged hands. Scotty and Seb did the same on a towel on the floor so both couples now had access to their partner's cocks, balls and ass holes. Jamie immediately felt Jason's hot mouth on his hard cock and at the same time buried his nose in Jason's ass, it smelled good just a little musky and ripe from the boy's hot bike ride. He then took Jason's hard cock in his mouth and sucked it in licking his balls and probing his ass hole with his tongue. Jamie's saliva was running as he licked, teased, tasted and tickled his partner's most intimate boy parts. Jason sucked Jamie's balls and wetting his finger sought out Jamie's ass hole and probed deep into the boy's insides. Jamie moaned while on Jason's cock and the vibrations tickled his cock. There was a sheen of sweat between the boy's bodies, their bellies sliding along each other and they could both clearly see Scotty and Seb on the floor beside them. Scotty was on the floor on his back with Seb on top of him sucking the older boy's hard cock. He played with the boy's large balls and wanked his cock as he sucked it.

Scotty had the boy's chubby uncut cock deep in his throat and he sucked it hard. He then moved to the boys ball sac and took both small balls into his

mouth at once slightly pulling in the sac away from Seb's body, increasing his pleasure. He then stuck his tongue into the boy's musky ass hole and he let out a yelp like he had been stung and momentarily stopped sucking Scotty's cock to absorb fully the totally new feelings he was getting. Scotty's tongue probed deeper and deeper tasting the boy's most intimate flavour as he rimmed his ass.

Jamie and Jason were sucking each other saliva dripping from both boys' mouths as they concentrated on pleasuring their partner and not cumming too quickly.

Scotty and Seb stopped and jumped up and Seb straddled the bench above Jamie's head and behind his school pal Jason whose wet ass hole was winking at him. Jamie was sucking Jason's cock when he looked up and saw Seb's tool just above his face and he knew where it was heading. Jamie saw Seb's cockhead poking at Jason's hole and pushing in to the wetness that Jamie had caused there. Jason gasped but Seb felt him pushing back and his sphincter muscles relaxing allowing Seb's chubby cock to slip in. Jason cried in pain as he felt the fat cock push inside him and go deeper hitting his sweet spot. Jamie worked Jason's cock and he could feel Seb's balls slapping on his nose.

Scotty knelt at Jamie's feet and he signalled for Jason to let him have Jamie's cock which the boy did and Jamie felt a momentary loss of warmth around his cock and then a new mouth took over sucking it differently but equally effectively.

Seb fucked Jason hard as Jamie sucked the boy, feeling the cock swell slightly. He instantly knew the signal and Jason yelled that he was cumming almost at the same second as Seb who thrust hard and deep into the boy's hole and let out a long Ahhhhhhhh!!! as he shot in his friend's ass. Jason's cock unloaded into Jamie's mouth and he moaned loudly as he did spraying virgin boy cum all over Jamie's face, the rest of the boy's cum sliding slowly down his throat. Jamie was so horny that he felt his cock explode in Scotty's mouth and the boy sucked every drop of his spunk, licking his sensitive cockhead making Jamie squirm with exquisite pleasure.

Jamie looked up and saw Seb's softening cock slip from Jason's ass and let a few drops of cum drop onto his face. Jamie could see at very close quarters Jason's still open ass with a small trickle of cum oozing from the wide, pink hole.

Everyone apart from Scotty had cum and although his cock was hard he told the boys he better get back to work as the 'boss' was a real taskmaster and everyone laughed as they saw Scotty's hard cock disappear into his shorts. It was playing hard to control however as it tented his shorts and a wet spot appeared very quickly at his cock head soaking the shorts through. He blushed and left to get back to work.

Jamie and the other two boys left the changing room after Jason helped Jamie put his Speedos back on and they wandered back to the pool loungers. Just at that Jamie heard Al calling and the nurse crossed the garden on his way to the pool. He greeted Jamie with a hug and was pleased to see the other two boys there. He waved at Scotty who was on the other side of the pool. Al produced a package for Jamie and he unwrapped it as all three boys looked on curiously. He pulled out two odd looking plastic items which when unrolled looked like large condoms! Al pulled one over Jamie's left arm and secured it in place before returning to fit the second on to his right arm. He explained that the ones they used for showering were fine for low volume water but no good for swimming but these were specially designed to allow people with plaster casts or bandages on their arms to swim. Jamie was delighted and waved his cocooned arms in the air for everyone to see.

Al expressed his hope that Jamie had been OK during his absence and Jamie said he had had a great time with his friends and added that Scotty was really nice too. Al agreed. He had noticed the boy before and had admired his physique, secretly lusting after him. Jamie offered some lunch to Al who readily accepted and he got stuck into the remaining food that the boys had left. Al scanned the poolside and noted that he was in the company of four beautiful young boys. Scotty was working on the gardens surrounding the pool and Jason and Seb were stretched out on their loungers with their packages on show through their tight Speedos. Al loved Speedos on young boys as there was no way to hide anything and that was exactly how he liked it. He went to the changing room and stripped off returning in a dark blue Speedo and parked himself on a lounge next to Jamie.

It was a very peaceful scene at the poolside and Jamie eventually called Scotty over and as the 'boss' gave the boy the rest of the day off so he joined them on a lounge in a borrowed white Speedo and enjoyed the sunshine.
